

Frame Your Pet

- 1 -Take a 4'X6 " photo of your pet.**
- 2- Glue it on a piece of cardboard leaving an inch and a half cardboard frame all around it.**
- 3- Punch a hole in the upper 2 corners of the cardboard.**
- 4- Tie a string through the holes to make a picture hanger .**
- 5- Raid your mom's button jar and glue colorful buttons of different sizes around the blank edge of the frame.**
- 6- Instead of buttons you can use seashells you collected from the beach. Be sure you use strong glue.**
- 7- When the glue dries , hang the picture in your room.**
