

## **Create Your Own Pet Picture Postcard**

- 1- Cut out a piece of light colored cardboard 4 1/2 " x 6 1/2 ".**
- 2- Posterboard works very well for this project.**
- 3- Take a 4x6 inch photo of your pet.**
- 4- Using a glue stick , cover the whole back side of the photo with glue .**
- 5- Affix it to your cardboard so that it adheres all over tightly.**
- 6- This type of glue will not ruin your photo.**
- 7- turn the card over to the other side and draw a black line down the center.**
- 8- Write your message on the left side of the line and put the address and stamp on the right side.**
- 9- Send your card to grandma or a friend !**
