

MAKE YOUR OWN PET TURTLES

- 1- Pry open a walnut carefully , so as not to break the shells.**
- 2- Empty the 2 half shells of all the nut meat inside .**
- 3- Put one shell on a sheet of construction paper.**
- 4- Trace a line all around the shell.**
- 5- Remove the shell and draw a head , 4 legs and a tail onto the body.**
- 6- Cut out the paper turtle .**
- 7- Glue one of the walnut shells onto the paper body.**
- 8- Draw 2 eyes on the head or glue 2 small beads to make the eyes.**
- 9- Give your pet turtle a name!**
